

SNOWMOBILE MAP

WELCOME TO OUR TRAILS!

We hope you enjoy our **many** miles of groomed trails. Our trails are **true** wilderness trails which go through scenic remote areas. Trail conditions may change due to weather conditions and usage. The Fourtown/Grygla Sportsman's Club cannot for that reason make any representation that they are free from hazards and are not responsible for any accident that may happen on the trail. **WARNING - THIS MAP DOES NOT INDICATE THAT ANY THIN ICE CROSSING IS SAFE!** All persons must use common sense, ride single file and at a safe and sensible speed.

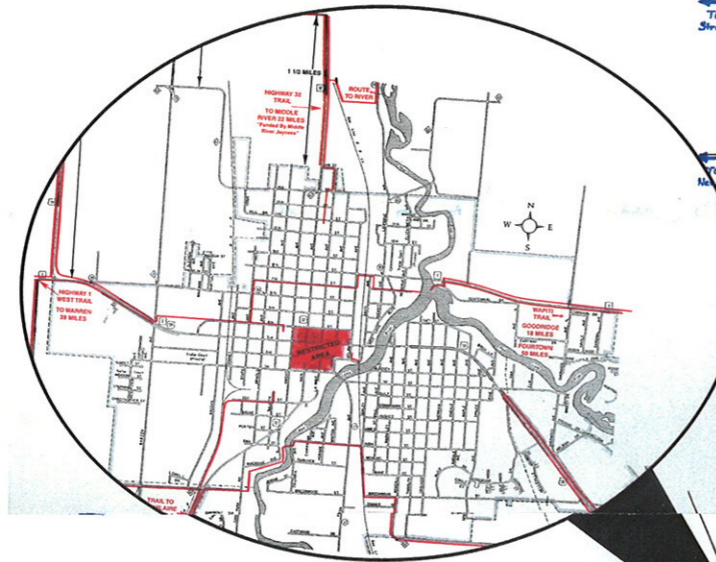

STAY IN THE RIGHT LANE OF THE TRAIL!

Publication and distribution of this map was made possible because of the cooperation received from the advertisers.

PLEASE SUPPORT THE MERCHANTS ON THIS MAP

Welcome to Northern Minnesota and its vast and wonderful outdoor recreational facilities! We hope you enjoy the groomed snowmobile trails, which have been made available to you by the many property-owners, the Minnesota Department of Natural Resources and Fourtown-Grygla Sportsman's Club. The trails on this map are for winter use only. Please respect private property at other times of the year if you are using this map. **THANKS LANDOWNERS!**

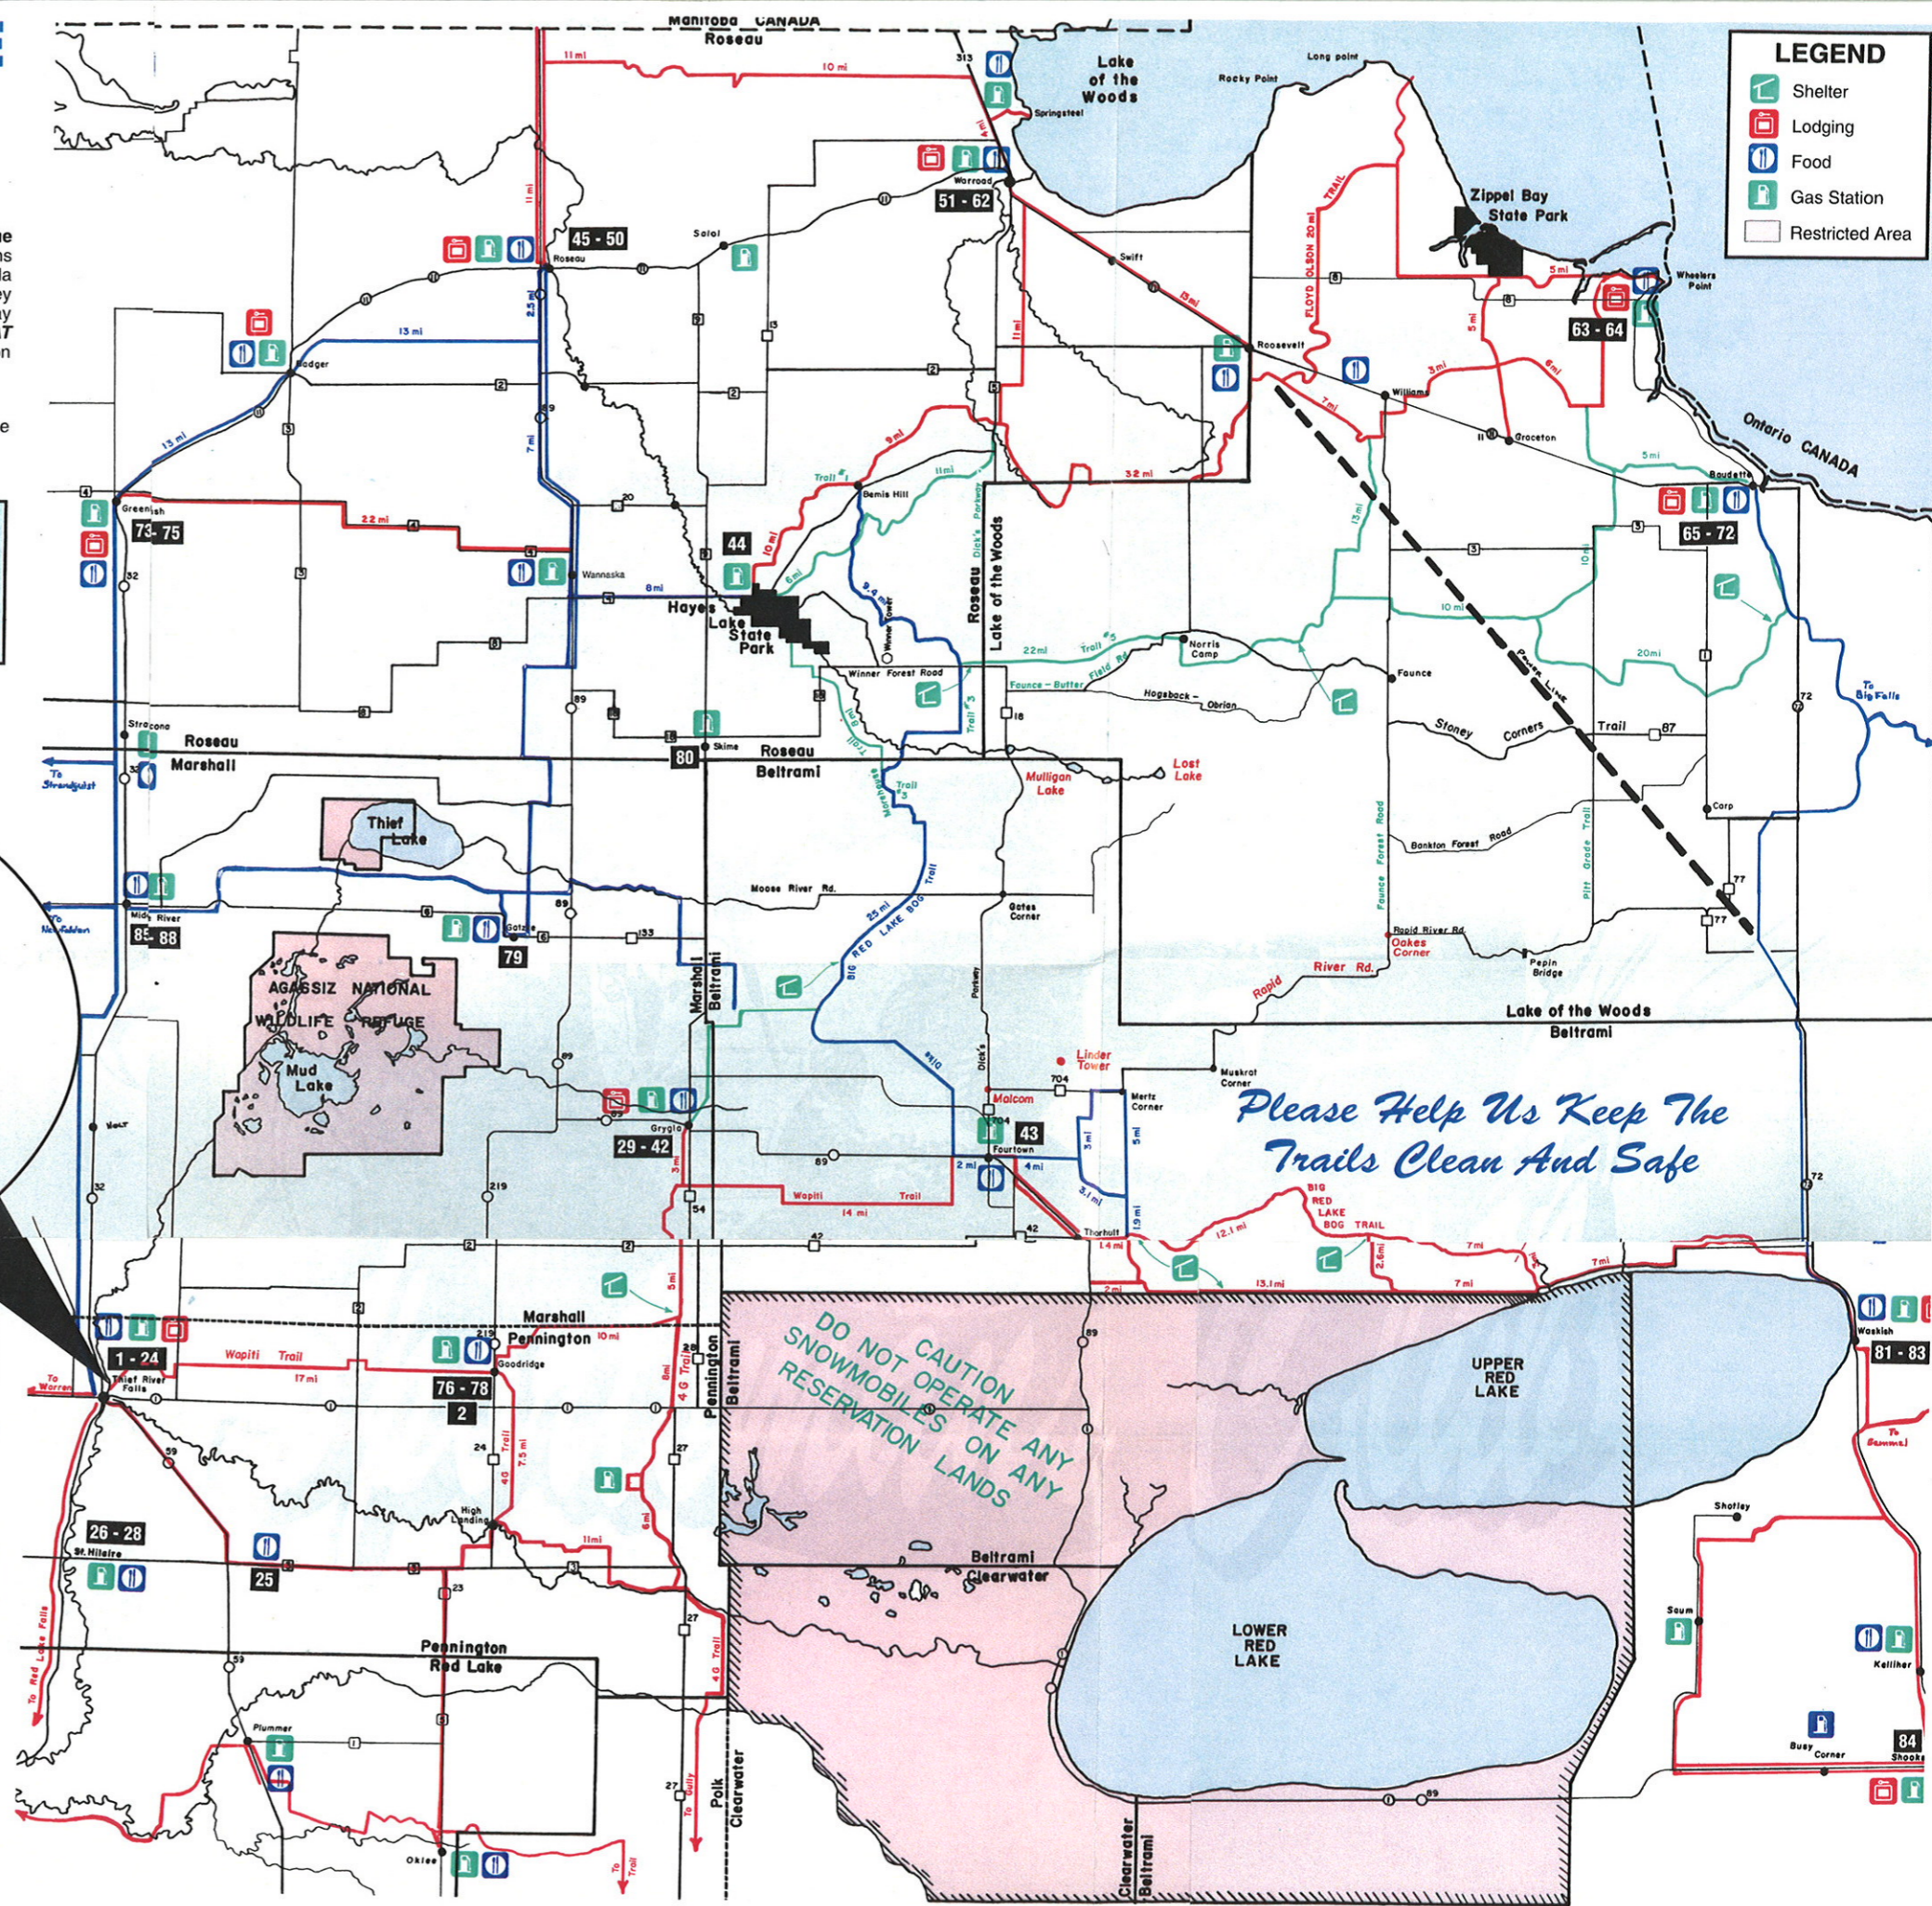

PLEASE JOIN A SNOWMOBILE CLUB IN YOUR AREA MN U.S.A. Minnesota United Snowmobile Association

TRAIL SIGNS

Do Not Enter Sign Indicates a one-way trail where access is possible from another trail.	Stop Ahead Sign Indicates the stop sign is 300 feet ahead.	Directional Blazer Indicates minor changes in trail direction.
Stop Sign Appears 25 feet prior to road or highway crossing.	Caution Sign Indicates an area where caution is necessary.	Information Blazer Indicates intersections or major changes in trail direction.
No Snowmobiling Sign Indicates trails and areas where snowmobile use is prohibited.	Grant-In-Aid Trail Indicates Grant-In-Aid trail system.	Reassuring Blazer Assures the user he is on the trail.

Trails across lakes and rivers are not part of the Grant-In-Aid program. Pressure ridges and open water can appear without warning! Take caution when crossing lakes and rivers.
